

Who is MY PARENT on the FAFSA and CSS Profile?

Note: Dependent students are required to report parent information when completing the FAFSA form. A parent means your legal (biological or adoptive) parent or a person that the state has determined to be your legal parent. A step-parent is considered a parent if married to a biological or adoptive parent.

For parents who are divorced, separated, or not married and not living together, Syracuse University requires the CSS Profile - **Non-Custodial Parent (NCP) Profile** to be submitted by the parent who is **NOT the Parent of Record**. Applications to waive the NCP Profile are available for students with extenuating circumstances.
